

Year Book
of the
Plainfield Garden Club

1974-1975

Member of
Garden Club of America
Garden Club of New Jersey

HORTICULTURE

Every member is expected to participate at least once a year in horticulture exhibits, which must be labeled by exhibitor.

In order to stimulate interest in horticulture an award will be given in June to the member accumulating the most points. One point will be given for each horticulture exhibit. Only one entry will be allowed in any one class. However, an extra point will be given for other interesting material brought to any meeting.

EXHIBITIONS

Every member is expected to contribute invitational arrangements for hostesses when asked.
