Dear Jean,

On behalf of the Officers, Directors, and all the members who visited our Headquarters this past week, I want to express our heartfelt thanks for the delicious meals that were served and the warm hospitality that was extended by you and the members of your committee.

Your dedication to The Garden Club of America is most admirable, and we are indeed fortunate to have you as a member of our unique organization.

A sincere thank you for making our Headquarters a lovely place to visit.

With all good wishes for a joyous holiday.

Sincerely,

[Signature]

Mrs. Frank M. Donahue
President
MINUTES
DIRECTORS BUSINESS MEETING

Tuesday - November 11, 1986  3:00 P.M.  GCA Headquarters - NYC, NY

Absent:  Headames Blount, Brown, Campbell, Crutcher, Law, Lewis, Miller, Titus, Wells.

Mrs. Cadwallader called the meeting to order and the minutes of the October 7th meeting were approved as mailed. She reported the following from the Executive Committee meetings:

a) The purchase of an IBM PC for the Financial Secretary, which was approved in October, was put on hold.

b) The make-up of the zones will not be changed from the 1968 plan.

c) Clubs should be encouraged to use the 12-minute 16mm film on the American Academy in Rome.

d) The GCA policy on the acceptance and deaccessioning of gifts was reiterated - anything given is the free and clear property of GCA.

e) The Executive Committee agreed that at the Awards Dinner at the 1987 Annual Meeting, they would prefer to be seated with other delegates rather than at the head table, (with the exception of Mrs. Donahue and Mrs. Ward).

Brief informal reports were given:

a) The GC of Bavaria will be attending parts of the Annual Meeting. We should seek out the 24 men and women and make them feel welcome. They made the GCA trip to Bavaria memorable, and in return will be entertained by our members in Greenwich, Philadelphia, Wilmington and Washington, DC.

b) The Founders Fund has selected the three finalists for 1987. There were fewer applications this year, and in 1988, there will be only one chosen.

c) The agreement with the Smithsonian Institution for housing The Slide Library of Notable American Parks and Gardens has been approved. The collection is considered to be of such importance that all of our conditions were agreed upon. It will be known as a "developing collection" for five years, and during that time, will not be available to outsiders. All of the advisors and coordinators to this committee are to be commended for their hard work in accomplishing this.

d) The Interchange Fellow for 1986/1987 has been chosen. Eleven applicants were considered, of which four were very good.
