PRESIDENT'S MEETING
ZONE IV

On Thursday, January 15, 1987, Mrs. N.S.J. Strong, Zone IV Chairman, hosted a meeting of the Zone IV Presidents at her home. The meeting convened at 10 A.M. All Zone IV Presidents were present.

Mrs. Murray P. Dwight - Garden Club of Englewood
Mrs. Stuart Brunet - Morristown Garden Club
Mrs. John W. Stuart - Garden Club of the Oranges
Mrs. Robert P. Vivian - Plainfield Garden Club
Mrs. Vagn Worn - Garden Club of Princeton
Mrs. William T. Haebler - Rumson Garden Club
Mrs. Robert D. Egehte - Garden Club of Somerset Hills
Mrs. John S. Eddy - Short Hills Garden Club
Mrs. B. R. Delsfield - Stony Brook Garden Club
Mrs. Bedford H. Lydon - Summit Garden Club
Mrs. John M. Schmunk - Garden Club of Trenton

Mrs. Webster Sandford, Director, Zone IV and Mrs. Alan Willemsen, Zone IV Horticulture Representative were also present.

Mrs. Willemsen spoke first. She showed the special award card which will be given at the 1987 Annual Meeting, to all Clubs who show 6 different perennials at the Plant Exchange. These plants do not have to be merit winners to earn this award. It is a club award given for six different entries. The Horticulture Committee is very anxious to have each Zone IV club win one of these commendations. Chris handed out the six black plastic boxes for the club entries, and explained that the boxes to hold the pots will be mailed shortly. She asked the Presidents to carry the message to club members that this is an ideal time to see a Plant Exchange for all who have never been to an Annual Meeting. She urged members to come between 6:30 A.M. and 11:30 P.M., on Tuesday, May 12th. At the Annual Meeting, the President or delegate from each club will choose her six different plants by lot on Wednesday morning.

Mrs. Willemsen then asked for comments on Mrs. C. Austin Buck's suggestion of using per class plants to exhibit beneath the podium at the Annual Meeting, as part of her staging design. Everyone felt that the plants would not show from all over the ballroom - that people were too busy to dig, pot and carry the plants at that time, and that the overall effect wasn't striking enough.

Mrs. J. Duncan Pitney sent a letter thanking all who volunteered to work at Buck Garden in the weeks immediately preceding the Annual Meeting, but volunteer help is apparently not needed. A letter from Mr. Malcolm Forbes, Chairman, Somerset County Park Commission, assures the GCA that Buck Garden will be put in pristine condition for the meeting. The members from Somerset County felt that the volunteers should not be dismissed just yet but held in abeyance in case something happened to the plans of the commission.

Dear Barbara,

On behalf of the Officers, Directors and delegates of The Garden Club of America, may I thank you for your charming and delicious luncheon on Tuesday of our Annual Meeting.

It was a delightful treat to walk the magnificent grounds and view the perfectly beautiful house at Dunwalke. What a perfect location for a large group of interested GCA delegates!

It was a lovely idea for the Zone IV members of the Board of Associates to host this luncheon and I hope that you know how very much your gracious hospitality was appreciated by all of our members.

A grateful thank you.

Sincerely,

Mrs. Edward King Poor, III  
Corresponding Secretary

Dear Barbara,

I would like to personally thank you for all your efforts in coordinating the work schedule of members of the Garden Club of America who helped prepare the Leonard J. Buck Garden for the GCA visit on May 12th.

The garden was in great shape for the visit, the weather terrific and all who visited the garden were most complimentary.

Thanks, again, for your help.
