2007 - Remove old yews & replace with four 6 ft. yews to be formed into topiaries. Cost approx. $300 each

2009 - Redo the knot garden. Design & plant selection to be determined by our club.
2010 - Replace the brick edging.
2011 - Replace the fence.
2012 – Make sure the Garden is in excellent shape for the Zone IV meeting which we are hosting.

The board approved her request.
