

## **2011 UNITED WAY BENEFIT TRAP SHOOT RANGE RULES**

*Please read, sign and turn in with registration fee at the event.*

1. Think safety; observe firearms safety rules.
2. Shotguns only.
3. Range officers are in charge and have final say on all matters.
4. Shotguns MUST be open and empty unless at firing station.
5. Load ONLY when on firing station.
6. No loaded guns allowed except while on firing station and ready to fire.
7. Do not change stations with a round in the chamber.
8. Do not raise your gun until the shooter ahead of you fires.
9. Never load your gun before changing stations.
10. Load only one shell at a time. Close the gun only when it is your turn to shoot. If a delay occurs, remove the shell. In TRAP there is NEVER a reason to put a shell in any magazine.
11. Shotguns must be: On the firing line, in the gun rack or locked in your vehicle at all times.
12. Be ready when your team is called and also when it is your turn to shoot in the team.
13. Remain at your post until the 5th shooter has fired, then move to the next position. At the end of the round, stand facing the traps until the last shooter has fired the last shot. If you are leadoff, do not fire until all squad members are in position after each change.
14. When calling "PULL", call in a loud clear voice so that there is no confusion about when the puller should respond.
15. Observe safety rules. Always keep your gun pointed toward the ground or the traphouse.
16. Anyone under 14 must have a parent with them to shoot in this event.
17. Absolutely NO ALCOHOL - you will be asked to leave immediately!
