

Young Life, a worldwide non-denominational youth organization, has been making an impact on the kids in the Charleston community for the last decade and is thrilled to have “WyldLife”, its program for middle school kids, now on Daniel Island. WyldLife provides a fun, safe environment for middle school students to hang out with friends and explore God. WyldLife leaders are trained adults of the highest integrity. They uniquely understand middle schoolers – everything is tailored to them! Through fun, adventure and friendship, leaders earn the privilege of talking to kids about something that we think matters most of all – the truth about God and His love for them.

A gathering during the school year called WyldLife “CLUB” offers a safe place for fun and a chance for kids to hear a brief word about God’s love for them from one of their leaders. Our Daniel Island “CLUB” meets **every Monday evening from 6:30—7:30pm at the Daniel’s Landing Condos sales/rental office at 130 River Landing Dr.**

WyldLife is not a facility-based ministry – and our leaders go to wherever kids may be. It is a principle modeled by Jesus Christ and practiced by WyldLife leaders worldwide as they show up to sporting events, school lunchrooms or local hangouts just to get to know teenagers and earn their trust and friendship. Leaders enter kids’ worlds with no expectation of who kids should be, but with every hope for who they can become. They build positive, lifelong relationships with young people, modeling God’s unconditional love and showing them how to live life to the fullest and handle the struggles of everyday life.

If you desire for your kids here on Daniel Island to know faith in an exciting and meaningful way, then please review the attached donation form and please consider how you might be able to help the WyldLife Daniel Island support committee in this endeavor. Keep in mind that Young Life / WyldLife are completely supported by adults who care about the kids in their community. It does not require membership and there is not a charge for kids to attend “CLUB”. Young Life and Wyldlife survives strictly from donations from caring adults. Please take a bold step forward and commit to supporting an organization that works for kids.
